EBSCOHost® contains three databases. Psychology and Behavioral Sciences Collection covers topics concerning emotional and behavioural characteristics, psychiatry & psychology, mental processes, anthropology, and observational & experimental methods.

This is the world's largest full text psychology database offering full text coverage for nearly 400 journals.

Religion and Philosophy Collection provides extensive coverage of such topics as world religions, major denominations, biblical studies, religious history, epistemology, political philosophy, philosophy of language, moral philosophy and the history of philosophy.

With more than 300 full text journals, SocINDEX with Full Text is an electronic version of the *Social Sciences Index* but with many more features. The database features more than 2.1 million records with subject headings from a 20,000+ term sociological thesaurus designed by subject experts and expert lexicographers. The database also contains full text from more than 860 journals, dating back to 1908. It also includes full text for more than 830 books and monographs, and full text for over 16,800 conference papers.
