

## **Admission Guidelines and Procedures for Non-EEA Degree Programme Applicants**

The admission requirements and application process for Non-EEA Degree Programme Students conform to all national policies and procedures detailed by the Irish Naturalisation and Immigration Service.<sup>1</sup> Carlow College, St. Patrick's (hereafter Carlow College) is committed to providing our Non-EEA students with a positive learner experience from the first point of engagement through to graduation or exit. As such, the College is committed to conducting its affairs in a transparent and equitable manner that aligns with best practice.<sup>2</sup>

### **Definition of Non-EEA Degree Programme Students**

A Non-EEA student is defined as a person whose nationality is from outside of the European Union, European Economic Area or Swiss Confederation. However, this definition may not be appropriate in every case (e.g. as it relates to residency and/or classification for fee purposes). If any Non-EEA student has a specific query related to their classification, please contact the International Office at Carlow College.

### **Admission Requirements**

#### *Selection Criteria*

All Non-EEA Degree-Seeking applicants at Carlow College must have:

- successfully completed a second level/high school qualification equivalent to the Irish Leaving Certificate;
- a minimum score of 6.5 in the International English Language Testing System (IELTS). If English is not the first language of the applicant, he/she should review the *English Language Requirements for Admissions to Carlow College, St. Patrick's* and provide the necessary paperwork with a completed application form.

As is standard national procedure, students on programmes with professional placements are required to undergo Garda Vetting Procedures and/or demonstrate to programme staff that they meet the relevant professional standards prior to commencing placements. If an enrolled student does not successfully meet the above requirements, they will be required to withdraw from his/her programme. If a student is forced to withdraw from his/her programme, fees from previous academic years will not be refunded to the student (see the *Fees and Refunds Policy*).

## **Application Process**

The application process for applying to Carlow College as a Non-EEA Degree Programme applicant follows seven main steps:

- Step 1: Applying to Carlow College;
- Step 2: Reviewing Immigration Requirements;
- Step 3: Preparing and Traveling to Ireland;
- Step 4: Registration and Stage One Orientation / Induction;
- Step 5: Open an Irish bank account;
- Step 6: Register with the Garda National Immigration Bureau (GNIB)

### Step 1: Applying to Carlow College

All Non-EEA Degree Programme applicants should complete the *Non-EEA Degree Programme Application Form* (see Appendix A) and submit it to the International Office at Carlow College; applications will be accepted either via email at: [intloffice@carlowcollege.ie](mailto:intloffice@carlowcollege.ie) or via registered post, addressed to: Dr Eric A. Derr, International Officer, Carlow College, St. Patrick's, College Street, Carlow, Co. Carlow, Ireland. The deadline for completed applications is the last working day in May.

### *Processing Applications*

The processing of applications will start 1 February and all applicants will receive notification regarding the status of their application via email or post, normally within two weeks of receipt (commencing after the 1 February). The process for determining whether an applicant meets the admission requirements will be determined by the relevant Programme Director, the Assistant Registrar for Strategic Development and the International Officer. If an applicant meets the admission requirements, they will receive a conditional offer for study on their chosen programme.

### *Paying Fees*

All Non-EEA Degree Programme applicants must pay their tuition fees in full, all academic related fees will be detailed in the conditional offer for study. The process for paying fees is detailed in the *Fees and Refunds Policy*.

### *Formal Offer for Study*

Once fees have been paid in full, the applicant will receive a 'Letter of Acceptance' from the College confirming they have been accepted on a programme of full-time education.

### Step 2: Reviewing Immigration Requirements

All students studying in Ireland must comply with all elements of Irish immigration requirements.<sup>3</sup> In the first instance, the Non-EEA applicant should determine if they require a visa to enter Ireland as a student (see Appendix B: *Country-Specific Visa Requirements*). If the applicant is a citizen of a country that is on Schedule 1, the applicant does not require an entry

---

<sup>3</sup> *New Immigration Regime for Full Time Non-EEA Students: Guidelines for Degree Programme Students* (Dublin: Irish Naturalisation and Immigration Service, January 2011).

visa for Ireland. However, if the applicant is a citizen of a country that is on Schedule 2 or Schedule 3, they require a visa prior to entering the country.

*Applying for a Visa (Applicants only from a country listed on Schedule 2 or Schedule 3)*

If the applicant is from a country listed on Schedule 2 or Schedule 3, then the applicant must apply for a visa before traveling to Ireland. In the first instance, contact the Embassy of Ireland closest to you and complete your application through the Visa Application System: <https://www.visas.inis.gov.ie/avats/OnlineHome.aspx>. **NOTE:** this process can take up to eight weeks so it is important that the applicant engages in the process immediately upon receiving an offer. Furthermore, it is recommended that applicants do not purchase tickets associated with travelling to Ireland until their visa has been approved.

Applicants are required to submit the following documents when completing their visa application:

- two colour passport sized photographs not more than six months old;<sup>4</sup>
- your current passport and a full copy of any previous passports (your current passport must be valid for at least twelve months after your proposed date of arrival in Ireland);
- a signed Letter of Application including your full contact details (e.g. outlining your reason for wanting to come to Ireland; giving details of any members of your family currently in Ireland, or any other EU Member State; undertaking that you will observe the conditions of your visa, that you will not become a burden on the State, and that you will leave the State on the expiry of your permission to remain; where the course you now wish to study does not naturally follow on or relate to your educational / employment history, giving valid reasons, supported by documentary evidence (where applicable), for this change;
- ‘Letter of Acceptance’ to Carlow College (this letter will indicate that you have been offered a place and that your fees have been paid in full);
- evidence accounting for any gaps in your educational history (if the reason is due to employment, you must provide full details of your employment history);
- academic transcripts (all transcripts must be translated into English);
- evidence of your level of English (if English is not your first language, please see the *English Language Requirements for Admissions to Carlow College, St. Patrick’s* and produce the relevant certificates);
- evidence that you have sufficient funds to support your stay in Ireland without recourse to public funds, or the reliance on casual employment. Applicants must demonstrate that they have ready access to at least €7,000 (this includes initial year of study and all subsequent years of study).<sup>5</sup>
- evidence of private medical insurance cover.<sup>6</sup>

- visa application fee (non-refundable, €50 equivalent in local currency).

After completing your Visa Application, you will receive notification from the relevant Embassy indicated through the Visa Application System.

### Step 3: Preparing and Traveling to Ireland

Living and studying abroad can be an exciting and apprehensive time. The International Office at Carlow College is committed to working with all international students to make this transition period go as smoothly as possible. Applicants are asked to provide the International Office with their travel itinerary so that a member of staff can liaise with them to source appropriate travel to Carlow. When you arrive at the airport, you will be processed at Immigration where they will review your required documentation and stamp your passport for thirty days; the International Office at Carlow College will organise your appointment with the GNIB Officer in Carlow where you will officially apply for a student visa.

### Step 4: Registration and Stage One Orientation / Induction

All Non-EEA Degree Programme students are required to arrive the Wednesday before the start of the Academic Year so that they may attend a two-day orientation specifically designed for international students. This orientation will introduce the student to Irish society, culture and living in Ireland.

Stage one orientation and induction will commence on the first Monday of the Academic Year which will provide a comprehensive orientation to the College and student supports. Students will also officially register as a full-time student at Carlow College. From Tuesday to Friday of the first week academic induction will take place, which will provide a comprehensive induction to the relevant academic programme. All Non-EEA Degree Programme students are required to attend all elements of the orientation and induction programme.

### Step 5: Open an Irish Bank Account

The International Office at Carlow College recommends that all Non-EEA Degree Programme students open a bank account in Ireland. As part of the registration process with the GNIB, the student must demonstrate proof of sufficient funds, either €3,000 (Schedule 1 countries) or €7,000 (Schedule 2 and 3 countries). This will also enable the student to apply for a Personal Public Service (PPS) Number if they plan to work part-time.<sup>7</sup>

### Step 6: Register with the Garda National Immigration Bureau (GNIB)

The International Office at Carlow College will organise your appointment with the GNIB Office in Carlow where you will officially apply for a student visa. At your appointment, you will need to provide the following documentation:

- passport;
- ‘Letter of Acceptance’ to Carlow College;
- evidence that your tuition fees have been paid;

[EEA%20Students.pdf/Files/Private%20Medical%20Insurance%20for%20full%20time%20Non-EEA%20Students.pdf](#).

<sup>7</sup> For more information on working restrictions, please see

<http://www.inis.gov.ie/en/INIS/Guidelines%20for%20Degree%20Programme%20Students.pdf/Files/Guidelines%20for%20Degree%20Programme%20Students.pdf>.

- evidence of sufficient funds to support your stay in Ireland;
- evidence of private medical insurance cover.

In addition to providing the above documentation, you will be fingerprinted and pay a fee of €300; the registration will be for one year and will be renewable on an annual basis, up to a maximum of seven years.

Students are required to register with the GNIB Office on an annual basis (the date for renewal is provided on the issued GNIB Certificate of Registration and contained on the relevant immigration passport stamp). Students may be granted a renewal of registration if:

- they can demonstrate that they are engaging in fulltime education on a course;
- the student can show verifiable academic progress;
- evidence that fees have been paid to the College;
- evidence of private medical insurance cover.

A person will only be able to renew their immigration permission where there are no concerns about that person in terms of an adverse Garda record or other concerns related to national security, public order or public policy.

#### *Re-Entry Visa*

If a Non-EEA Degree Programme student from a country listed on Schedule 2 or Schedule 3 wishes to leave Ireland for a short period during their studies, they must apply for a Re-Entry Visa; this includes travel to Northern Ireland. To receive a Re-Entry Visa, you will need the following documents:

- a valid passport or travel document;
- relevant fee;
- GNIB Registration Certificate;
- two passport-standard colour photographs;
- letter from Carlow College confirming your programme of study and a minimum attendance of 80%.

For more information regarding the application process for obtaining a Re-Entry Visa, please see: <http://www.inis.gov.ie/en/INIS/Pages/Re-entry%20visas>.

#### **Maintaining Full-Time Status**

Carlow College is committed to complying with all immigration statutory regulations. Part of this compliance is taking steps to ensure that Non-EEA Degree Programme students are maintaining their full-time status. All lecturers in the College keep module attendance which is reported to the Central Administration Office; Non-EEA Degree Programme students must maintain a minimum attendance of 80%.

#### *Unexcused Absences*

If a Non-EEA Degree Programme student is absent from their studies for more than three weeks, the International Officer will send a letter to the student requesting a meeting. At this meeting a verbal warning will be issued. If the student misses another week of their studies,

the International Officer will send a letter to the student requesting a meeting. Following this meeting, a written warning will be documented and sent to the student. Any further unexcused absences will result in expulsion from their programme of study by the Vice President for Academic Affairs / Registrar. In accordance with the *Instrument of Governance 2017*, Section 6.1(d), appeals concerning the expulsion of a learner in accordance with regulations of the College will be heard by the Governing Body. The GNIB Officer will be notified if the expulsion takes effect.

### *Excused Absences*

Excused absences are absences where the student has a doctor's certificate accounting for their absences. Carlow College has a Nurse on campus and students can book appointments to the College GP through this service. If a student is in receipt of a medical certification, they bring the certification along with a completed Absence Form (available on Moodle) to the Central Administration Office. Cases of bereavement are also considered excused absences provided the student notifies the International Office of the bereavement and the intended length of absence. If there are any queries regarding other absences, please make contact with your Academic Advisor or the International Office.

### **Communication**

The International Office at Carlow College is an important resource for all registered international students. As such, it is expected that all international students, including Non-EEA Degree Programme students, keep the International Office informed of any important changes to their circumstances, these might include: change of address; significant changes to financial; significant changes to their health; instances of bereavement that require a prolonged absence; etc.

If you wish to obtain a letter from the International Office, you must complete the Letter Request Form and submit to the International Office. Request forms are required for the following:

- Visa Renewal;
- Re-Entry Visa;
- Bank Account Letter;
- PPS Number;
- Attendance Confirmation Letter.

The letter will be ready for collection within three working days after the student has made the request.

2. If your first language is not English, attach evidence of proficiency in English (IELTS Score or equivalent).
3. A copy of your passport page showing your photograph and personal details.

### **Notes:**

1. The deadline for receipt of applications is 31 May 2020. All students must be present to commence studies at the beginning of September 2020. All undergraduate and postgraduate programmes run from September to May. Dates for orientation / induction will be provided in the conditional offer to Carlow College, St. Patrick's.
2. The personal data of all applicants will be processed in accordance with our Privacy Notice for Learners. This can be viewed at: <http://www.carlowcollege.ie/explore/leadership-structure/data-protection/privacy-notices-and-policies/>.
3. All visas etc. are the sole responsibility of the applicant and delays in the issuing of a visa to study in Ireland may result in a student being asked to defer their place until the following academic year. If applicable, please be advised that the Visa authorities insist on every applicant submitting the results of an internationally recognised English Language Test, such as IELTS. TOEFL is not acceptable. Therefore, you must do an internationally recognised English Language Test if you wish to apply for an Irish study visa. Carlow College, St. Patrick's will also require a copy of the test results. The minimum level accepted is IELTS 6.50 or equivalent for undergraduate studies.
4. All undergraduate courses are open to appropriately qualified Non-EEA Students and details can be accessed on our website: [www.carlowcollege.ie](http://www.carlowcollege.ie).
5. All international students must take a full-time course of study. Part-time studies are not permissible under immigration guidelines.
