

Conditions and Application Form of the U.S. Semester Study Abroad Programme, Carlow College, St. Patrick's

By submitting an application to the U.S. Semester Study Abroad Programme (hereafter Programme) at Carlow College, St. Patrick's (hereafter Carlow College), applicants agree to be bound by the conditions outlined in this document. Non-adherence to the conditions may result in termination of learners' participation in the programme. Learners who withdraw early or are dismissed from the Programme will remain responsible for all Programme costs incurred on their behalf (e.g. no refunds will be given for academic tuition and accommodation). Full loss of academic credit for the Programme may also result.

1. Immigration¹

All applicants accepted onto the Programme are required to obtain a Stamp 2 Visa from the Irish Naturalisation and Immigration Service to study at Carlow College for one academic term or one academic year. After applicants have formally been accepted onto the programme, they will receive a 'Letter of Induction' from the President of Carlow College. Along with this document, applicants are required to present to the Immigration Officer at Dublin Airport the following documents:

- a 'Letter of Induction' validating that they are a study abroad learner at Carlow College;
- a valid passport issued by the United States;
- evidence of private medical insurance (arranged by your home institution);
- evidence of sufficient funds equal to the amount of €3,000.

The Immigration Officer at Dublin Airport will stamp all passports for a period of thirty days.

Upon completion of registration at Carlow College, the International Officer at Carlow College will schedule appointments with the Carlow/Kilkenny District Immigration Officer at the local police station for the application of a Stamp 2 Visa. At their designated appointment, learners will present the same documents at the same police station that they presented to the Immigration Officer at Dublin Airport. In addition to being fingerprinted, learners are required to pay an application fee in the amount of €300 payable by credit/debit card. Failure to obtain a Stamp 2 Visa will result in dismissal from the programme.

The issuance of student visas is for the duration of the learners' academic studies. As such, visas do not permit learners to remain in Ireland prior to, or after the conclusion of, the academic term. The International Officer at Carlow College will inform the

¹ For a complete detailing of immigration requirements see *Guidelines for Non-EEA Students Coming to Ireland to Study for a Semester* (Dublin: Irish Naturalisation and Immigration Service, January 2011).

Immigration Officer if a learner withdraws early or their participation in the Programme is terminated.

2. Status

Adhering to the *New Immigration Regime for Full Time Non-EEA Students* (2011) and all Carlow College affiliation agreements, learners enrolled on the Programme are required to maintain a full-time student status which is characterised as taking at least four courses at Carlow College (equivalent to twelve credit hours in the American system). As a condition of the Programme, study abroad learners are not allowed to hold employment whilst studying abroad at Carlow College.

3. Course of Study

At Carlow College, the Programme learners are registered on the B.A. (Hons) in Arts and Humanities Programme. Learners should consult with their home institution or study abroad provider to ensure their chosen courses, as detailed on Section 3 of their application form, will transfer back to their academic programme of study in the United States. The availability of courses is subject to timetabling constraints.

Programme learners may register for a minimum of four and maximum of five courses at Carlow College, each course earning three credits at their home institution. Part-time studies are not permissible under immigration guidelines. Learners are only allowed to take courses pre-articulated by their home institution and all learners must have their course of study confirmed by their home institution no more than one week after they have commenced their studies at Carlow College. The Irish Experience course, and its accompanying field trips, are mandatory for every Programme learner.

Learners are expected to attend classes / tutorials and maintain their full-time status. Attendance is mandatory unless specified arrangements have been made with the International Officer of Carlow College. Unauthorised absences are grounds for disciplinary action and possible dismissal from the programme.

Carlow College study abroad learners are governed by the same academic regulations as every other learner registered on the B.A. (Hons) in Arts and Humanities Programme.

4. Independent Travel

While it is assumed that Programme learners may wish to participate in additional travel unrelated to the Programme, learners must understand that commitment to their educational programme at Carlow College is primary and takes precedence over all other travel. Learners must understand and acknowledge that they accept full responsibility for personal travel. It is strongly encouraged that learners provide the International Officer of Carlow College with details of any extended travel away from Carlow College so that in case of emergency the appropriate individuals can be contacted.

5. Housing

Learners are expected to live in on-campus accommodation at Lennon House, Carlow College and to abide by the Terms and Conditions of Housing provided by Carlow College. Failure to do so may cause for dismissal from the programme. As Lennon House is shared accommodation, learners are expected to be mindful and respectful of their fellow residents.

6. Personal Conduct

As a guest in Ireland, Programme learners are responsible for conforming to all applicable Irish laws, and rules and policies of Carlow College. Be aware that you are also under any code of conduct determined by your home institution or study abroad provider. Learners must conduct themselves in an appropriate manner at all times. Inappropriate behaviour may be cause for dismissal from the Programme. In the case of conflict between the codes of conduct and policies of home institution / study abroad provider and host institution, that of the host institution will take precedence.

7. Fees

Carlow College will not directly process learner fees for the Programme learner's tuition or accommodation. All learners enrolled in the Programme are registered through their home institution or study abroad provider. As such, all payments for tuition and accommodation are processed through the learners' home institution or study abroad provider. Carlow College will invoice affiliated institutions or study abroad provider for Carlow College tuition and accommodation; in turn, the affiliated institutions will process tuition and accommodation payments on the learners' behalf.

8. Withdrawal from the Programme

Learners who wish to withdraw from the Programme at Carlow College should immediately seek advice from the International Officer at Carlow College and the study abroad representative at their home institution or study abroad provider as the timing of the intention of withdrawal may have an impact on their academic standing at their home institution.

9. Request Permission for an Additional Study Term at Carlow College

Learners who wish to study an additional term at Carlow College may do so after extensive consultation with their home institution or study abroad provider. After such consultation, if it is deemed that the learner can study for an additional term at Carlow College, the learner will not be required to re-take the mandatory Irish Experience course, but is expected to attend all field trips. Additionally, learners will be required to re-register with the Irish Naturalisation and Immigration Services to be issued a new Stamp 2 visa; resulting in a new payment of €300.

10. Legal Problems

Carlow College is excused of liability for those circumstances outside of the control or responsibility of the College (e.g. arising from the learners' own acts or omissions). The learner is responsible for all legal problems encountered in Ireland. Carlow College will endeavour to assist learners but does not guarantee assistance of any kind can be provided.

11. Institutional Information Exchange

Programme learners are studying at Carlow College as part of an affiliated agreement Carlow College has with their home institution or study abroad provider. Although a full-time registered learner at Carlow College, Programme learners are also (and at the same time) full-time registered learners at their home institution. To enable the exchange, it is necessary for Carlow College to share certain information about Programme learners with the home institution or study abroad provider. Data shared with your home institution or study abroad provider may include:

- Decisions on applications to participate in the semester study abroad programme;
- Academic transcripts and data regarding other academic matters (e.g. non-attendance at classes);

- Information regarding emergency situations, including medical emergencies, accidents and other circumstances of a grave nature;
- Information about supports that are offered, or are in place, for learners regarding medical issues, learning differences or disabilities.

12. Dismissal Policy

Participants in the Programme are subject to the Conditions set out in this document and the rules and policies which apply to all registered learners of Carlow College. Due to the short-term nature of the Programme, learners may either be subject to investigation in the usual way under College policies or in serious cases, Carlow College reserves the right to instigate the Dismissal Procedure described below.

Carlow College, in communication with learners' home institution or study abroad provider, Carlow College reserves the right to terminate participation of learners in the Programme for infractions which include, but are not limited to:

- e) excessive use of alcohol;
- f) any conduct that appears to Carlow College to be disruptive to the learner or incompatible with the interest or welfare of others or the reputation of the programme;
- g) non-adherence to the rules and policies which apply generally to learners attending Carlow College.

Learners who withdraw early or are dismissed from the Programme will remain responsible for all Programme costs incurred on their behalf (e.g. no refunds will be given for academic tuition and accommodation). Full loss of academic credit for the Programme may also result.

13. Dismissal Procedures

Dismissal from the programme will take the following form:

- a) the International Officer of Carlow College identifies violation of any rule or condition;
- b) the International Officer of Carlow College discusses the violation with the learner and a course of action is agreed upon. This information is sent to the

learner's home institution or study abroad provider through which the learner applied;

- c) If remediation does not occur within the agreed-upon timeframe, and if the learner continues to break the rules of the agreement, he or she will be contacted by the International Officer of Carlow College for immediate dismissal.

Admission Guidelines for U.S. Semester Study Abroad Learners

Since 2003, Carlow College, St Patrick's (hereafter Carlow College) has developed educational cooperation agreements with many institutions of higher learning in the United States. The purpose of these agreements is to enhance educational experiences and the cultural understanding of learners and faculty members at both Carlow College and affiliated institutions. The operational purpose of these agreements is to manage the process of application, exchange² and result transfer. Carlow College is committed to ensuring that applicants are subject to the terms and conditions agreed upon between Carlow College and affiliated institutions. To further this end, all applications are to be processed through the home institution or study abroad provider's³ international officer.

These guidelines exist to ensure that a) the academic standards at Carlow College are maintained and b) every application is reviewed in an equitable manner. Although potential applicants are screened by their home institution or study abroad provider, Carlow College shall have the final authority on admission decisions, and those decisions will be communicated no later than two working weeks from receipt of application.⁴ Carlow College will only accept applicants enrolled at one of our affiliated institutions.

Moreover, it is important to note that Carlow College subscribes to a policy of equal opportunity and will not discriminate on the basis of gender, civil status, family status, sexual orientation, religion, age, disability, race or membership of the Traveller community.
